Camden, N.J., December 16, 2024

Subaru of America, Inc. announced today its new 2025 Forester (excluding Wilderness trim) received the highest possible TOP SAFETY PICK+ rating from the Insurance Institute for Highway Safety (IIHS) for crash safety and crash avoidance and mitigation.

Jeff Walters, President and Chief Operating Officer, Subaru of America, Inc.: “The new 2025 Subaru Forester continues our long-running commitment to delivering vehicles designed to the highest safety standards. The Forester’s exceptional performance in safety evaluations is part of its history and what our customers expect from Subaru. Being recognized by the IIHS with its top rating is an honor.”

To qualify for the TOP SAFETY PICK+ award, vehicles must earn “Good” ratings for small overlap front and updated side tests, an “Acceptable” or “Good” rating in the pedestrian front crash prevention evaluation and acceptable- or good-rated headlights across all trim levels. In addition, an “Acceptable” or “Good” rating is required for the updated moderate front crash test.

Since 2007, the Subaru Forester has received the IIHS TOP SAFETY PICK award 18 times, more than any other small SUV. What’s more, Subaru has earned more IIHS TOP SAFETY PICK+ awards than any other brand since 2013, as of December 2024.

The new 2025 Subaru Forester is available in Base, Premium, Sport, Limited, and Touring trim levels and has a starting price of \$29,695 and is sold at retailers nationwide now. The 2025 Forester features a new sleek, stylish exterior with a quieter and more refined interior. The award-winning EyeSight® Driver Assist Technology is standard on all trim levels, as well as Advanced Adaptive Cruise Control with Lane Centering and Steering Responsive LED headlights. All Foresters are equipped with Subaru’s legendary Symmetrical All-Wheel Drive System for enhanced capability and control. Additional available active safety features include Reverse Automatic Braking, Blind-Spot Detection with Lane Change Assist, Rear Cross Traffic Alert, and Emergency Stop Assist.
