December sales were supported by the annual Subaru Share the Love® Event where the automaker donates \$250 for every new Subaru vehicle purchased or leased to the customer's choice of the following national charities; The American Society for the Prevention of Cruelty to Animals® (ASPCA®), Make-A-Wish®, Meals on Wheels America, or the National Park Foundation, as

well as more than 800 local charities. Retailers could also select up to two hometown charities in their local communities to receive at least an additional \$50 for each vehicle sold or leased. In the program's 17th consecutive year, Subaru and its retailers aimed to achieve the philanthropic milestone of over \$320 million in cumulative donations since the Subaru Share the Love Event started in 2008. Final 2024 Share the Love Event donation results are expected in March.
